FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and all applicable, adopted rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

1. 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes
2. 28 Texas Administrative Code §134.1 provides for fair and reasonable reimbursement of services not identified in an established fee guideline.
3. Texas Labor Code §413.011(d) requires that fee guidelines must be fair and reasonable and designed to ensure the quality of medical care and to achieve effective medical cost control. The guidelines may not provide for payment of a fee in excess of the fee charged for similar treatment of an injured individual of an equivalent standard of living and paid by that individual or by someone acting on that individual's behalf. It further requires that the Division consider the increased security of payment afforded by the Act in establishing the fee guidelines.

4. This request for medical fee dispute resolution was received by the Division on March 11, 2005. Pursuant to 28 Texas Administrative Code §133.307(g)(3), effective January 1, 2003, 27 *Texas Register* 12282, applicable to disputes filed on or after January 1, 2003, the Division notified the requestor on November 3, 2005 to send additional documentation relevant to the fee dispute as set forth in the rule.
5. U.S. Bankruptcy Judge Michael Lynn issued a “STIPULATION AND ORDER GRANTING RELIEF FROM AUTOMATIC STAY TO PERMIT CONTINUANCE AND ADJUDICATION OF DISPUTED WORKERS COMPENSATION CLAIMS BEFORE THE TEXAS STATE OFFICE OF ADMINISTRATIVE HEARINGS,” dated August 27, 2010, in the case of *In re: Renaissance Hospital – Grand Prairie, Inc. d/b/a/ Renaissance Hospital – Grand Prairie, et al.*, in the United States Bankruptcy Court for the Northern District of Texas, Fort Worth Division in Case No. 08-43775-7. The order lifted the automatic stay to allow continuance of the claim adjudication process as to the workers’ compensation receivables before SOAH, effective October 1, 2010. The order specified John Dee Spicer as the Chapter 7 trustee of the debtor’s estate. By letter dated October 5, 2010, Mr. Spicer provided express written authorization for Cass Burton of the law office of Burton & Hyde, PLLC, PO Box 684749, Austin, Texas 78768-4749, to be the point of contact on Mr. Spicer’s behalf relating to matters between and among the debtors and the Division concerning medical fee disputes. The Division will utilize this address in all communications with the requestor regarding this medical fee dispute.
6. The services in dispute were reduced/denied by the respondent with the following reason codes:
 - M – M-PMT AMNT BASED ON MEDICARE GRP RATES AT 230%, MULT.PROC RULE APPLIES

Findings

1. This dispute relates to outpatient services performed in a hospital setting with reimbursement subject to the provisions of 28 Texas Administrative Code §134.1, effective May 16, 2002, Volume 27 *Texas Register*, page 4047, which requires that “Reimbursement for services not identified in an established fee guideline shall be reimbursed at fair and reasonable rates as described in the Texas Workers’ Compensation Act, §413.011 until such period that specific fee guidelines are established by the commission.”
2. 28 Texas Administrative Code §133.307(g)(3)(B), effective January 1, 2003, 27 *Texas Register* 12282, applicable to disputes filed on or after January 1, 2003, requires the requestor to send additional documentation relevant to the fee dispute including “a copy of any pertinent medical records.” Review of the submitted documentation finds that the requestor has not provided copies of all medical records pertinent to the services in dispute. The requestor did not submit a copy of any medical records to support the services in dispute. The Division concludes that the requestor has not met the requirements of §133.307(g)(3)(B).
3. 28 Texas Administrative Code §133.307(g)(3)(C)(i), effective January 1, 2003, 27 *Texas Register* 12282, applicable to disputes filed on or after January 1, 2003, requires the requestor to send additional documentation relevant to the fee dispute including a statement of the disputed issue(s) that shall include “a description of the healthcare for which payment is in dispute.” Review of the submitted documentation finds that the requestor did not provide a description of the healthcare for which payment is in dispute. The Division concludes that the requestor has not met the requirements of §133.307(g)(3)(C)(i).
4. 28 Texas Administrative Code §133.307(g)(3)(C)(ii), effective January 1, 2003, 27 *Texas Register* 12282, applicable to disputes filed on or after January 1, 2003, requires the requestor to send additional documentation relevant to the fee dispute including a statement of the disputed issue(s) that shall include “the requestor’s reasoning for why the disputed fees should be paid.” Review of the submitted documentation finds no documentation of the requestor’s reasoning for why the disputed fees should be paid. The Division concludes that the requestor has not met the requirements of §133.307(g)(3)(C)(ii).
5. 28 Texas Administrative Code §133.307(g)(3)(C)(iii), effective January 1, 2003, 27 *Texas Register* 12282, applicable to disputes filed on or after January 1, 2003, requires the requestor to send additional documentation relevant to the fee dispute including a statement of the disputed issue(s) that shall include “how the Texas Labor Code and commission [now the Division] rules, and fee guidelines, impact the disputed fee issues.” Review of the submitted documentation finds that the requestor did not state how the Texas Labor Code and Division rules impact the disputed fee issues. The Division concludes that the requestor has not met the requirements of §133.307(g)(3)(C)(iii).
6. 28 Texas Administrative Code §133.307(g)(3)(C)(iv), effective January 1, 2003, 27 *Texas Register* 12282, applicable to disputes filed on or after January 1, 2003, requires the requestor to send additional documentation relevant to the fee dispute including a statement of the disputed issue(s) that shall include “how the submitted documentation supports the requestor position for each disputed fee issue.” Review of the submitted documentation finds that the requestor did not state how the submitted documentation supports the requestor’s position for each disputed fee issue. The Division concludes that the requestor has not met the requirements of §133.307(g)(3)(C)(iv).
7. 28 Texas Administrative Code §133.307(g)(3)(D), effective January 1, 2003, 27 *Texas Register* 12282, applicable to disputes filed on or after January 1, 2003, requires the requestor to provide “documentation that discusses, demonstrates, and justifies that the payment amount being sought is a fair and reasonable rate of

reimbursement.” Review of the submitted documentation finds that:

- The requestor did not submit a position statement for consideration in this dispute.
- The requestor’s *Table of Disputed Services* asserts that “Carrier did not pay claim at the usual + customary.”
- The Division has previously found that “hospital charges are not a valid indicator of a hospital’s costs of providing services nor of what is being paid by other payors,” as stated in the adoption preamble to the Division’s former *Acute Care Inpatient Hospital Fee Guideline*, 22 *Texas Register* 6276. It further states that “Alternative methods of reimbursement were considered... and rejected because they use hospital charges as their basis and allow the hospitals to affect their reimbursement by inflating their charges...” 22 *Texas Register* 6268-6269. Therefore, the use of a hospital’s “usual and customary” charges cannot be favorably considered when no other data or documentation was submitted to support that the payment amount being sought is a fair and reasonable reimbursement for the services in dispute.
- The requestor did not submit documentation to support that payment of the amount sought is a fair and reasonable rate of reimbursement for the services in this dispute.
- The requestor did not submit documentation to support that this rate is consistent with most commercial and private payers in the region.
- The requestor has not supported that payment of the requested amount would satisfy the requirements of Division rule at 28 TAC §134.1.

The request for additional reimbursement is not supported. Thorough review of the documentation submitted by the requestor finds that the requestor has not demonstrated or justified that payment of the amount sought would be a fair and reasonable rate of reimbursement for the services in dispute. Additional payment cannot be recommended.

Conclusion

The Division would like to emphasize that individual medical fee dispute outcomes rely upon the evidence presented by the requestor and respondent during dispute resolution, and the thorough review and consideration of that evidence. After thorough review and consideration of all the evidence presented by the parties to this dispute, it is determined that the submitted documentation does not support the reimbursement amounts sought by the requestor. The Division concludes that this dispute was not filed in the form and manner prescribed under Division rule at 28 Texas Administrative Code §133.307. The Division further concludes that the requestor failed to support its position that additional reimbursement is due. As a result, the amount ordered is \$0.00.

ORDER

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code §413.031, the Division has determined that the requestor is not entitled to additional reimbursement for the services involved in this dispute.
